## ADULT CODE OF CONDUCT

Group Leaders and Chaperones must read, understand, agree, sign and return this sheet. Please be sure that all adults in your group understand and abide by these policies.

### Basic Role of Chaperones

---

The Office of Evangelization for Youth and Young Adults depends on the Chaperones to help facilitate order and to serve as a network of support for the youth. It is important that the Chaperones be an example of obedience and cooperation with the following policies as well as with our staff and volunteers on site. Because of the physical demands of the Work Camp, it is necessary that Chaperones be in good health. It is a very intense week and can be exhausting both physically and spiritually. Because of these conditions, it is not recommended that those with health problems participate as Chaperones.

Chaperones should be constantly assessing the youth in their group to be aware of any special needs. They should feel comfortable talking and sharing with the youth. Adults should also be willing to pray with the youth in their group. Adult Chaperones are responsible for their students at all times.

### Duties of a Chaperone

---

A Chaperone's responsibilities include, but are not limited to, the following areas:

#### 1. Alcohol, Drugs, and Smoking

- ✓ All state laws concerning alcohol and drugs will be strictly enforced.
- ✓ Possession and/or consumption of alcohol or drugs are not permitted on site during the retreat.
- ✓ All Work Camp sites and buildings are smoke-free facilities.
- ✓ Adults who chose to smoke must smoke out of sight of youth participants.

#### 2. Appropriate Dress

- ✓ All participants are expected to dress in a fashion that represents modesty, respecting other participants and our Lord.
- ✓ Clothing must cover all undergarments and midriffs. Male participants must wear shirts at all times during Work Camp.
- ✓ The Group Leader and Chaperones are expected to communicate these expectations to the youth before the Work Camp and enforce the dress code at all times during the Work Camp.

#### 3. Participation

- ✓ It is expected that all Work Camp participants (youth, Chaperones, group leaders) will be present and participate at all activities during the entire Work Camp week.
- ✓ At no time should a youth participant leave the Work Camp without one of their adult Chaperones. Adults are strongly discouraged from taking youth off site, except in the case of an emergency.
- ✓ It is to be understood that the said adult takes full responsibility for a youth if they depart Work Camp.

#### 4. Housing

- ✓ Chaperones are responsible for making sure that teen participants are in their designated sleeping areas at curfew time. We are guests at the school and we ask that it is left in better condition than it is found.
- ✓ All youth and adults must be in the sleeping areas by the designated times.
- ✓ An atmosphere of quiet and respect is expected following the lights out time. Violators will be subject to appropriate discipline.

#### 5. Insubordination

- ✓ It is expected that youth and adults will follow the direction of all Work Camp staff and volunteers.
- ✓ Any instances of lack of cooperation or insubordination will not be tolerated and will be subject to appropriate discipline.
- ✓ The first and primary method of dealing with discipline problems will be to work through the Group Leader.

The Catholic Diocese of Richmond reserves the right to deny entrance to, or request the ejection of any group or individual who does not comply with the regulations and policies for the Work Camp. In the event that entrance is denied or a person(s) is ejected, NO REFUND will be made.

I have read, understand, and agree to the above policies. I will ensure that anyone accompanying me to the retreat also understands and agrees to these policies.
